body's circulation**

Neutralize Negative energies,

A UNIQUE INVENTION:

The Scalar Pendant is uniquely produced using a Japanese Mineral Science Technology to provide us with sufficient scalar frequencies.

Contains high quality bonded Volcanic minerals of Japan and Germany that efficiently emit the powerful scalar energy

**Promotes positive flow of energy and helps to maintain energy
balance.**

- Helps to restore energy that has become weak in the body and By restoring the energy balance, it helps one to maintain health and well-being.
- This helps to maintain energy Balance
- Repairs our body that has been weakened by daily exposure to negative energy such as Radiation from Cell phones, Television, Computers, X-ray, Microwave and electrical appliances.
- The scalar energy in the Scalar Pendant does not diminish. In fact it provides you consistent energy for a lifetime ...

Scalar Energy Pendant Shields Us From EMF

EMF emissions can be continuous such as Mobile telephone transmission waves, Radio and TV waves.

All harmful EMF is shielded when we wear it every day, every hour, and every minute.

USAGE :

- **Wear it in a chain or carry it in your pocket. The scalar energy from the pendant works both outwardly and within the body.**
- **Outwardly scalar energy enhances the body's Biofield while Inwardly it works to facilitate cell permeability and thereby enhances the many physiological functions of the cells in the body.**

What is Scalar Energy?

- **Based on latest discovery in quantum science**
- **Scalar Energy has always existed since the beginning of time.**
- **However it is only recently that scientists have discovered it and begun to make use of it.**

What is the Scalar Energy Pendant Made From?

- Mineral based high-tech formulated energy pendant, made from volcanic lava, using Japanese technology
- Capable of emitting *scalar energy* instantly transforming bio-energy into our body to promote molecular activities of water molecules in body organs.
- Benefit the body's metabolic functions, elevating blood circulation systems
- Result is holistic healthcare functions the Most Natural Way

The Pendant will Improve Body's Water Quality

- Improves the quality of the water in our body!
- Water will be nano-clustered, making it energized and bio-active!
- Water now able to penetrate our cells hydrating and detoxifying them.

You Can Wear it Everyday! 24/7

- You can wear the Scalar Energy Pendant everyday, 24/7
- This enables the scalar energy to treat your body's water continuously!
- Light, convenient and user friendly
- Energy lasts perpetually!

Environmental Pollution Dangerous?

We know of:

- **Air Pollution!**
- **Water Pollution!**
- **These are hazardous to our health!**
- **Sometimes we can avoid them by wearing face masks, or filtering drinking water....but**
- **Do we know that there is another very hazardous pollution in our environment today that is even more dangerous and cannot be avoided???**

Harmful Effects of EMF

- **EMF is Electro-Magnetic Fields.**
- **It is harmful to our health as established by WHO.**
- **We cannot ignore the harmful effects of EMF**
- **But we also cannot avoid EMF as our homes have extensive electrical wiring as well as electrical appliances.**
- **On top of that, we have a large variety of mobile phone waves, radio waves, TV waves, telephone waves, internet broadband waves, etc etc bombarding our bodies constantly!**

EMF Increasing:

- **As technology advances in the world today, EMF will increase.**
- **Can we stop technology advancing?**
- **Of course NOT! And we cannot live without modern technology!**

So what can we do about it?

Do we freely allow EMF to destroy our health and happiness?

WHO Report:

The World Health Organization (WHO) thinks You're at Risk

- "The World Health Organization (WHO) takes seriously the concerns raised by reports about possible health effects from exposure to electromagnetic fields (EMF). Cancer, changes in behaviour, memory loss, Parkinson and Alzheimer's diseases, and many other diseases have been suggested as resulting from exposure to EMF. Everyone in the world is now exposed to a complex mix of EMF frequencies in the range 0-300 GHz. EMF has become one of the most pervasive environmental influences and exposure levels as many frequencies are increasing significantly as the technological revolution continues unabated and new applications using different parts of the spectrum are found."
- World Health Organization, Geneva, Switzerland

You Can Even Drink Scalar Energized Water !

- You can use the same pendant to charge or energize your water by putting it under your glass or tumbler of water!
- You can even charge inexpensive wine to taste much better, like more expensive wine! It will definitely be smoother!
- Just place the water or wine over the pendant for just 10 to 15 minutes!

The water will become energized and nano-clustered and therefore becoming good quality water for your body!

Benefits of wearing the Pendant include:

- **Reduces the effects of EMF radiation**
- **Strengthens your resilience to the effects of stress**
- **Increases your energy and stamina**
- **Reduces the symptoms of fatigue**
- **Relieves the symptoms of jet lag**
- **Enhances your mental performance and alertness**
- **Promotes blood circulation**
- **Improves metabolism in our bodies**
- **Shields electromagnetic (EMF) waves**
- **Increases oxygen supply to blood cells**
- **Energies and helps fight growth of cancer cells**
- **Imprints into our DNA and protects it from damage**
- **Works as anti-depressant as it takes away noradrenalin**

We Must Resonate with Health:

- **Your body is a complex and highly sophisticated organism. It needs constant fine-tuning in stress-filled environments.**
- **At your best you resonate with health--almost literally, every part of your being vibrates in harmony.**
- **Conversely when your resonances are disturbed or interrupted, your body begins to break down. You become vulnerable to a variety of ailments and diseases. Not only are you not functioning effectively, but also your defense mechanisms are in decline.**

Regulate Body's Homeostasis:

- In biological terms, the Scalar Energy Pendant restores your body's harmonies by helping to regulate the 'homeostasis' of your body.
- 'Homeostasis' is the condition of equilibrium, the 'dynamic range or balance' where your body's multiple systems operate together and resonate at their optimum.

NEGATIVE IONS

Negative Ions have been found to facilitate the delivery of oxygen to cells, which stimulate bodily functions and rejuvenation. They also increase the flow of oxygen to the brain; resulting in higher alertness, decreased drowsiness, and more mental energy
